SUMEET DUTTA

35, Block N, Sector 12, Noida, Uttar Pradesh / India | +91 9717079630 | sumeetdutta040@gmail.com |
www.linkedin.com/in/sumeet-dutta-469530322

SUMMARY

Motivated and detail-oriented learner with hands-on experience in Python, C++, and data analytics, along with a foundational understanding of JavaScript. Successfully completed 8+ projects focused on data analysis, visualization, and automation. Eager to expand front-end development skills and contribute to impactful tech solutions. Known for strong analytical thinking, adaptability, and a passion for continuous learning.

TECHNICAL SKILLS

- Programming Languages: Python, C++, JavaScript (basic), HTML, CSS
- Data Analytics Tools: Excel, MySQL, Python (Pandas, NumPy, Matplotlib, Seaborn)
- Data Visualization: MS Excel, Tableau (basic), Python libraries
- Tools & Platforms: PyCharm, VS Code, Git, MS PowerPoint
- Soft Skills: Communication, problem-solving, adaptability, quick learner

PROJECT

Data Analytics Internship – Trainity
Remote | Tools: Excel, SQL, Python

- Successfully completed an internship focused on real-world data analytics tasks
- Analyzed datasets using Excel and SQL, creating dashboards and drawing actionable insights
- Applied Python libraries like Pandas and Matplotlib to clean data and visualize trends

Mobile To-Do List App
Python (Kivy), SQLite

- Built a mobile to-do list app featuring task creation, editing, deletion, priority tagging, and due dates
- Integrated local database storage (SQLite) to ensure offline functionality
- Designed an intuitive and clean UI for enhanced user experience

Crop Price Prediction (Learning Project)
Python, scikit-learn, Pandas

- Explored machine learning techniques to predict crop prices using regression models

- Faced challenges related to dataset quality and prediction accuracy

- Gained practical knowledge in data preprocessing and model evaluation despite limited success

EDUCATION

School of Open Learning, University of Delhi **2026-2027**
  1st Year CGPA - 6.18

Kendriya Vidyalaya
  12th Standard - 73.6% **2022**
  10th Standard - 80% **2020**

OTHER

Languages: Hindi - Native
    English - Fluent

Other Education: Data Analytics

Interests: Cricket, Chess, Flute
